Yuba River Gold

An excellent choice for landscapes, swimming pools and water features.

- ✓ Beautiful golden yellow color
- ✓ Variety of shapes and sizes
- ✓ Wholesale prices range from \$75 to \$180 per ton

Harvested from an ancient riverbed in the Sierra foothills, we have sizes ranging from 12 inches to over 8 feet. Enjoy a piece of the ancestral Yuba River in your own backyard!

Quarried Stone

To create the appearance of rock outcroppings or mountain grottos, many prefer our quarried stone.

- ✓ Blue/gray/yellow-orange
- ✓ Durable bedrock
- ✓ Sized up to 12 tons
- ✓ Wholesale prices range from \$25 to \$100 per ton
- ✓ Abundant supply

Exposed by the hydraulic placer mines of the 1850's, our bedrock granite quarries into beautiful fine and coarse-grained stones.

Specialty Products

For that special landscape, we can supply unique stones to meet your needs.

- ✓ Gray moss rock
- ✓ Rough hewn granite basins
- ✓ Custom drilled 3-inch holes
- ✓ Specimen river-washed boulders

Our specialty stones, with 3-inch holes, enable the construction of natural appearing mountain springs and fountains.
